

G Em/B Bm C
Oh Danny boy, the pipes, the pipes are calling

D G Bm Em/B Am
From glen to glen, and down the mountain side

D G Em/B Bm C
The summer's gone, and all the flowers falling

D G/B D G
T'is you, T'is you must go and I must bide.

C C C D G Bm Em
But come ye back when summer's in the meadow

C C C D G Bm Am
Or when the valley's hushed and white with snow

D/F# G Am Em/B
and I'll be here in sunshine or in shadow

C Bm Am Am/D G
Oh Danny boy, oh Danny boy, I love you so.
